

A wide range of Devilbiss extensions are available for those difficult to reach applications.

The Devilbiss extension range is manufactured from brass with stainless steel needles as standard, they are available for Advance HD manual and Cobra 2 automatic pressure spray guns. When ordering ensure the part number for the model is completed with the required length in inches. Other lengths and flexible extensions are available upon request.

(spray guns not included)

Length options 6" 9" 12" 15" 18" 24" 30" 36" 48" 60" 72" 84"
 Length measurement (approximate) is taken from the gun fluid inlet to the tip of the extension.

EXTENSION	Type of spray	To fit ADVANCE HD part number	To fit COBRA 2 part number	Clearance diameter	Comments
	<p>C 360 degree circular spray</p> <p>For medium to heavy viscosity materials. With adjustable spray gap. 0.062" tip supplied as standard. (0.093" tip available)</p>	<p>EXTADV-C-XX XX = add length needed in inches to complete part number.</p>	<p>EXTCB2-C-XX XX = add length needed in inches to complete part number.</p>	3/4" (19mm)	<p>Hardened nozzle versions are available (type CVT and type HCVT) for Ceramic/Abrasive paints</p>
<p>spray tips</p>  <p>52-1621-1 20° forward angle 6° forward spray (optional)</p>  <p>52-365 TIP 20° forward angle (optional)</p>  <p>52-363 TIP Right angle (supplied as standard)</p>  <p>52-364 TIP 15° reverse angle (optional)</p>					
	<p>SC 360 degree circular spray</p> <p>For low to medium viscosity materials. With adjustable spray gap.</p>	<p>EXTADV-SC-XX XX = add length needed in inches to complete part number.</p>	<p>EXTCB2-SC-XX XX = add length needed in inches to complete part number.</p>	3/8" (9.5mm)	<p>SC-MBX version also available with very fine quality spray (gap not adjustable)</p>
	<p>SA forward round spray</p>	<p>EXTADV-SA-XX XX = add length needed in inches to complete part number.</p>	<p>EXTCB2-SA-XX XX = add length needed in inches to complete part number.</p>	7/16" (11mm)	<p>For low to medium viscosity materials. Supplied with 0.078" fluid tip.</p>
 <p>Fan adjuster</p>	<p>EA forward fan spray</p>	<p>EXTADV-EA-XX XX = add length needed in inches to complete part number.</p>	<p>EXTCB2-EA-XX XX = add length needed in inches to complete part number.</p>	1 3/4" (44mm)	<p>Supplied with 66BSSx63PB set up (fluid tip 0.046")</p>
	<p>EAX forward fan spray</p>	<p>EXTADV-EAX-XX XX = add length needed in inches to complete part number.</p>	<p>EXTCB2-EAX-XX XX = add length needed in inches to complete part number.</p>	7/8" (22mm)	<p>supplied with J2SS x AA1 fan spray set up (fluid tip 0.043"). 46-1042 round spray cap (optional).</p>

EXTENSION	Type of spray	To fit ADVANCE HD part number	To fit COBRA 2 part number	Clearance diameter	Comments
 <p>Fan adjuster</p>	EB 90 degree fan spray	EXTADV-EB-XX XX = add length needed in inches to complete part number.	EXTCB2-EB-XX XX = add length needed in inches to complete part number.	3" (76mm)	Supplied with 66BSSx63PB set up (fluid tip 0.046")
	EBX 90 degree fan spray	EXTADV-EBX-XX XX = add length needed in inches to complete part number.	EXTCB2-EBX-XX XX = add length needed in inches to complete part number.	1 7/8" (48mm)	Supplied with J2SS x AA1 fan spray set up (fluid tip 0.043"). 42-1042 round spray cap (optional).
 <p>Fan adjuster</p>	EN 45 degree fan spray	EXTADV-EN-XX XX = add length needed in inches to complete part number.	EXTCB2-EN-XX XX = add length needed in inches to complete part number.	2 5/8" (67mm)	Supplied with 66BSSx63PB set up (fluid tip 0.046")
	ENX 45 degree fan spray	EXTADV-ENX-XX XX = add length needed in inches to complete part number.	EXTCB2-ENX-XX XX = add length needed in inches to complete part number.	1 3/4" (44mm)	Supplied with J2SS x AA1 fan spray set up (fluid tip 0.043"). 42-1042 round spray cap (optional).
	ERX 30 degree reverse fan spray	EXTADV-ERX-XX XX = add length needed in inches to complete part number.	EXTCB2-ERX-XX XX = add length needed in inches to complete part number.	2" (51mm)	Supplied with J2SS x AA1 fan spray set up (fluid tip 0.043"). 42-1042 round spray cap (optional).

Extensions are for use on pressure feed applications.

Length options 6" 9" 12" 15" 18" 24" 30" 36" 48" 60" 72" 84" Length measurement (approximate) is taken from the gun fluid inlet to the tip of the extension.

Extensions are complete with air cap, fluid tip, needle and air cap retaining ring. Extensions do not include the spray gun.

All fluid tips are stainless steel except type SC which are chrome plated brass and SA are plated steel.

To order a spray gun for the extension use the part numbers below. Bare Spray gun's exclude needle, air cap, fluid tip and retaining ring.

– Advance conventional gun **ADV-P000-00** – Cobra 2 conventional gun **CBA2-000-00**

Note: Extensions are "made to order" and therefore cannot be returned for credit.
